SPE-Dallas section leadership,

I'm pleased to inform you that Danny's Regional Service Award nomination has moved up to the SPE International - Distinguished Service nominations. To support Danny's nomination, I encourage you to promote Danny's nomination by sending a letter of recommendation to [twhipple@spe.org](mailto:twhipple@spe.org) and [cthompson@spe.org](mailto:cthompson@spe.org). The SPE Honors and Award program relies on SPE members to identify colleagues who have made extraordinary contributions to SPE, the petroleum industry and the community. Thank you for taking the time to support the candidacy of Danny Bell for this award.
